INTERNSHEEP

Software Developer Solve Digital Tech.

06/2024 - 08/2024

Bhopal

Project work

- I have responsible for full-stack development and web development as part of the Solve Digital team. Here, I have been responsible for designing websites, managing client relationships, and leading projects. My experience has allowed me to develop a strong understanding of both front-end and back-end technologies, while also honing my skills in effective communication and project management.

Junior Software Developer LeopardRuns Innovation & Technology

04/2024 - 06/2024

Bhopal

Training

- I worked at LeopardRuns Innovation & Technology, where I did 45-day internship program as a Jr. Software Developer Intern.
